"We are building for the future by making smarter use of our energy and our operational dollars. We will reduce our energy use and cut our utility bills, all without cost to our local taxpayers. The money we save will go right back into serving our students. That's a win for our community all the way around."

- Chuck Sincere, Superintendent

Energy Optimizers, USA has saved its customers more than \$2.5 million in energy costs annually. We will provide on-site reviews of HVAC and lighting systems, a financial analysis of each opportunity, a comprehensive utility bill analysis, and identify potential funding mechanisms.
