

Energy Optimizers, USA  
Experts in Energy  
Cost Savings

## Tipp City Public Library

### PROJECT SCOPE:

- Interior and Exterior LED Lighting Retrofits
- HVAC Controls Retrofit

## LOCAL GOVERNMENT

*"The library looks much better with the LED lighting, and our patrons and staff appreciate the improved reading environment and safety. We set up a display in the children's area after the project was completed to spotlight sustainability, energy efficiency, and other energy conservation related materials, to use this project as a learning experience. We are very pleased with the project, which will save more than \$4,000 in utility costs each year."*  
- Lisa Santucci, Director

Energy Optimizers, USA has saved its customers more than \$2.5 million in energy costs annually. We will provide on-site reviews of HVAC and lighting systems, a financial analysis of each opportunity, a comprehensive utility bill analysis, and identify potential funding mechanisms.

### Experienced

We have implemented more than \$82 million of energy savings projects since 2009.

### Honest

We guarantee our prices and have never had a single change order.

### Vendor Neutral

We utilize products and service providers that make the most sense for you, not for us.

Energy Optimizers, USA, LLC is a vendor neutral, full-service, energy efficiency and conservation company which specializes in assisting K-12 school districts and local government agencies to reduce energy usages and costs.
